

# Women's Singles Elite – Nittaku cup

The players below are entering the Women's Singles Elite and will be drawn into groups of 4 or 5 on Friday 23rd February at 08.00. Two groups will share two tables. This means that the first two matches in the group with the lower number will be played first and then the first two matches in the group with the higher number will be played on the two tables. All matches are played after each other, because of this there is no timeschedule for the group games. The 16 directly qualified players will not play in the groupstage. The two players who finish at top of each group will play the Final knockout stage. All matches are played the best of 5 sets. Also this year we will play in the E-hall which has 9 tables and is situated just 50 meters from the main playing venue.

**Each player or coach has to confirm the entrance to the secretary in the playing venue, or by phone to the secretary, no later than 08.00 on Friday 23<sup>rd</sup> february. Only players who have confirmed their entry will be eligible to play.**

**This does not concern the directly qualified players.**

The matches will commence at 09.00. The organisers have the right to enter 2 wild cards in the final knockout stage.
